RAP GOVERNMENT **COMPETITION WITH** PRIVATE BUSINESS

Criticised at Convention of National Association of Manufacturers

WINCHELL A SPEAKER

Everything from Shirts to Ships

(Copyright, 1932, by I. N. S.) NEW YORK, Nov. 17-(INS)-Gov ernment competition with private manufacturing came in for criticism today at the thirty-seventh annual convention of the National Association of Manufacturers.

One of the speakers, B. L. Winchell, chairman of the executive committee of Remington Rand, Inc., New York, made the assertion that Uncle Sam is 'making everything from shirts to ships." He said that competition with private enterprise is now being carried forward by the government in more than 200 forms.

Other speakers dwelt upon the encroachment of the Government into Belgian notes asking to be relieved of private business, too. For example, paying the December 15 installment of Homer L. Not only are the purely political places largely dispensable but, because they are political, their salaries are excessive.

Were Washington to drive back into productive effort only the political parasites drawing Federal salaries and not-dependent on those salaries alone the burden of the taxpayers would be appreciably eased. All the necessary work can be done by civil service workers, from whose ranks should be weeded out the inefficient and non-essential.

Two cries can be heard above the turmoil of politics, that of the oppressed taxpayers begging for relief and that of the jobholders pleading for their jobs. Both cannot be

LESS PROFLIGATE

Four years ago on the day that President Hoover was elected president and while the country was still pending economic crash the voters of various cities and states were asked to approve a total of \$634,-766,415 of new borrowing. Few of the proposed loans were defeated.

Last week the loan referenda on state and local ballots throughout the country involved an aggregate of only \$158,000,000, virtually all of which was for unemployment relief and the funding of existing debts.

It is doubtful if the taxpayers at are last election would have approved even the smallest loan for anything but relief or some unavoidable emergency expense. Those same taxpayers, who four years ago were endorsing every form of governmental extravagance, are now scrutinizing every item of govern-

checked, but too late for the taxpayers to escape the burden of public debt cost which with their depreciated earning power they are no longer able to carry without hardship and sacrifice. They must pay

for their profligacy. WAKE UP YOUR LIVER BILE-WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of saits, mineral water, oil, laxative candy or chewing gum and expect them to make you suddeny sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931 C. M. Co. UMNI DEVELOPS STRONG GRID TEAM

(By Oscar Corn)

This year the Bristol high school alumni has developed an eleven which easily excels the teams of former years. They have had a large number to report for the squad, and many former high school stars will see action in the game to be played on Saturday.

"Ray" Pieo, last year's captain and quarterback, will call signals for the alumni. Spadaccino '28, Earle '28, Swan '31, Tendelucci '31, Narcissi '31, and Gaffany '31, will fill the other backfield positions.

The centers are Aita, captain in 1930 and Carnvale '28. Britton '31 and Wright '31 will be in the guard positions. Dries, captain in 1929, Davis '30 and Satterthwaite '28 are capable tackles, while Esposito '31 and Dougherty '30 are the ends.

The squad has been well coached, and they are planning to use the Warner system against the high school
